29 July 2008

Mr. John Downey
Airport Manager, Sacramento Executive Airport
COUNTY OF SACRAMENTO
6151 Freeport Blvd, Suite 177
Sacramento, CA 95822

Dear Mr. Downey:

Thank you very much for your letter dated June 18, 2008 concerning our participation in the Executive Airport Open House.

It was our pleasure to participate in this event. It provided us with the opportunity to support our home airport, educate the public about our missions and cadet (youth) program and raise funds for our programs through the pancake breakfast.

This past month, we reached an important goal and a milestone of 100 members in our squadron. Almost two thirds of our members are now qualified in an Emergency Services specialty and able to provide support for our search & rescue, disaster relief, homeland security and counterdrug missions. Our glass-panel Cessna 182 flew over 300 hours this fiscal year in support of our Air Force assigned and CAP corporate missions and the generous monetary support from some of our local businesses has helped to defray some of the costs of our hanger. Lastly, our cadets are actively involved in their community and are scheduled to perform at several events in the Sacramento area by providing a color guard.

The ongoing support you provide to us by allowing us office and storage space and free use of the conference rooms and facilities is absolutely invaluable. We would be unable to do these things without your kind support.

We look forward to supporting the next Airport Open House and working with you and your staff to help make it a success.

Best Regards,

JOHN R. AYLESWORTH, Lt Col, CAP
Commander
